

UGANDA NATIONAL BUREAU OF STANDARDS

PUBLIC ANNOUNCEMENT:

CERTIFICATION OF QUALITY MANAGEMENT SYSTEMS

Uganda National Bureau of Standards (UNBS) is a statutory body, responsible for standardization, quality assurance, metrology (measurement science) and testing.

In its role of promoting and improving the quality and competitiveness of the local industry, UNBS has embarked on certifying Quality Management Systems for the manufacturing and service sector. The System Certification scheme currently covers:

- (1) ISO 9001:2008 - Quality management Systems
- (2) ISO 22000:2005- Food Safety Management System
- (3) HACCP - Hazard Analysis Critical Control Points System.
- (4) Laboratory Recognition Scheme in accordance to US ISO/IEC 17025:2005 - General requirements for the competence of testing and calibration laboratories

So far, the following companies have been certified under this scheme:

No	Company	Certified System	Certificate No.
1	Fresh Cuts (U) Ltd	HACCP	UNBS/HC/0001
2	Mpanga Growers Tea Company	HACCP	UNBS/HC/0002
3	Mabale Growers Tea Company	HACCP	UNBS/HC/0003
4	Jesa Farm Dairy	HACCP	UNBS/HC/0004
5	Kayonza Growers Tea Company	HACCP	UNBS/HC/0005
