

UGANDA NATIONAL BUREAU OF STANDARDS

PUBLIC NOTICE

27th March 2017.

IMPOSTORS PURPORTING TO BE UNBS STAFF

It has come to the attention of UNBS management that there are wrong elements of people going round the country undertaking surveillance operations and extorting money from the business community especially foreigners.

Some of these are former UNBS staff that were dismissed from UNBS due to their corrupt practices. This is to notify the public that UNBS activities receive prior authorization and our staff are supposed to identify themselves prior to conducting such exercises and not supposed to issue threats or ask for any favors in doing their work. This also applies for clearance of imported goods and weights and measures verification exercises.

In case of doubt, report these people to the police or call any of UNBS directors on telephones 0417 333253, 0417 333255, 0417 333256, 0417 333257 during office hours or use the toll free line 0800 133 133 which is 24/7.

UNBS has zero tolerance for corruption. HELP US EXPOSE THESE WRONG ELEMENTS.

Dr. Ben MANYINDO
